Regional Transportation Plan for 2009-2030: Resolution of Adoption

RESOLUTION NO. 268

ADOPTION OF REGIONAL TRANSPORTATION PLAN FY 2009-2030 FOR CLARK COUNTY, NEVADA

WHEREAS, Title 23 of the Code of Federal Regulations, Part 450, and Title 49 of the Code of Federal Regulations, Part 613, require the preparation of a Regional Transportation Plan; and,

WHEREAS, the Regional Transportation Plan is updated every two to four years under the direction of the Metropolitan Planning Organization; and,

WHEREAS, the Regional Transportation Commission of Southern Nevada has been designated by the Governor of the State of Nevada as the Metropolitan Planning Organization for Clark County, Nevada; and,

WHEREAS, the Regional Transportation Commission through the conduct of a continuing, comprehensive and coordinated transportation planning process carried out in conjunction with the Regional Transportation Commission member entities and the Nevada Department of Transportation has prepared a Regional Transportation Plan for Clark County, Nevada, which includes all federal and non-federal regionally significant transportation projects; and,

WHEREAS, the Regional Transportation Commission finds that pursuant to Title 40 of the Code of Federal Regulations, Part 93, this Regional Transportation Plan conforms with the intent of the State Air Quality Implementation Plans; and,

WHEREAS, the Regional Transportation Commission finds that this Regional Transportation Plan has been prepared through a process of agency coordination and in accordance with adopted public participation procedures.

NOW, THEREFORE, BE IT RESOLVED that the Regional Transportation Commission does hereby adopt and endorse the Regional Transportation Plan for Fiscal Years 2009-2030, compiled for the period October 1, 2008 through September 30, 2030.

This action is taken with the understanding that all projects in the area or jurisdiction of the Regional Transportation Commission member entities have been approved by each entity's board.

PASSED, APPROVED AND ADOPTED this 13th day of November, 2008.

Regional Transportation Commission of Southern Nevada Air Quality Conformity Determination

The Regional Transportation Commission of Southern Nevada has determined that the Regional Transportation Plan for Fiscal Years 2009-2030 conforms with the applicable State Implementation Plans for air quality. This Conformity Determination was adopted by the Regional Transportation Commission concurrently with the adoption of the Regional Transportation Plan.

Therefore, pursuant to 23 CFR Part 450 and 40 CFR Part 93, the Regional Transportation Plan is hereby certified as being in conformance with the applicable State Implementation Plans.

Specifically, this ensures that all transportation related projects, policies and programs do not contribute to any violation of the National Ambient Air Quality Standards; that all projected travel related emissions are determined to be less than the mobile source emissions budgets established by the 2006 CO State Implementation Plan (SIP) revision to the 2004 CO SIP for Carbon Monoxide, the 2004 PM10 SIP, and less than the Ozone "Action versus No Build" test as defined in 40 CFR Part 93.
