**RE: SAHARA AVENUE CORRIDOR BUS RAPID TRANSIT PROJECT**

Dear Mr. Snow:

The Clark County Comprehensive Planning Department supports the bus rapid transit project proposed on Sahara Avenue. In 2007, Clark County staff participated with the City of Las Vegas and RTC staff to help complete the Sahara Avenue Corridor Rapid Transit Study Alternative Analysis Report. This bus rapid transit project will help meet the demand for transportation created by the existing and planned residential, commercial and mixed use projects along the Sahara Avenue Corridor. This project is the next logical step toward enhancing transit services in the Las Vegas Valley.

Sincerely,

Barbara Ginoulas, Director  
Comprehensive Planning
