RE: SAHARA AVENUE BUS RAPID TRANSIT PROJECT – TIGER
GRANT APPLICATION

Dear Jacob:

The City of Las Vegas is pleased to offer our support to the Regional Transportation Commission of Southern Nevada's request for Transportation Investment Generating Economic Recovery (TIGER) Grant funding for the Sahara Avenue Bus Rapid Transit project in Las Vegas, Nevada.

Sahara Avenue is a vital regional transportation corridor in Las Vegas. The establishment of a bus rapid transit system in this corridor will provide a positive impact along the corridor by creating economic stimulus for development along with furthering our goals for sustainability. The Sahara Avenue Bus Rapid Transit project will also provide better linkages and mobility to Downtown Las Vegas which is vital to our City's redevelopment goals.

The City of Las Vegas looks forward in partnering with the Regional Transportation Commission of Southern Nevada, the Nevada Department of Transportation and Clark County to implement this very important regional transit project. I appreciate your dedication and hard work throughout Southern Nevada and within the City of Las Vegas.

Sincerely,
