SAHARA AVENUE CORRIDOR BUS RAPID TRANSIT PROJECT

Dear Mr. Snow:

Clark County Public Works understands that the Regional Transportation Commission of Southern Nevada is planning for Bus Rapid Transit Service on Sahara Avenue with dedicated bus lanes from Hualapai Way to Boulder Highway. The Sahara Avenue corridor would benefit greatly from the enhanced bus service. Clark County Public Works is in support of the Sahara Avenue Corridor Bus Rapid Transit Project. We would like to extend our willingness to work with you and your staff during the development and design of the project.

Please do not hesitate to call me at (702) 455-6020 if you would like to discuss the project.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cederburg".
