Dear Mr. Snow:

The Nevada Department of Transportation (NDOT) supports the RTC's implementation of Bus Rapid Transit (BRT) along Sahara Avenue (Hualapai Way to Boulder Highway). It is our understanding the project to mill and overlay, restripe and widen to create bus lanes in the corridor will be within the existing Right-of-Way. NDOT is excited to see this important transportation project move forward.

If you have any questions, please call me at (775) 888-7240 or my staff at (775) 888-7120.

Sincerely,

Kent Cooper, Assistant Director
Engineering
