Re: Sahara Avenue Corridor Bus Rapid Transit Project

Dear Mr. Snow:

The Clark County Board of County Commissioners supports the bus rapid transit project proposed on Sahara Avenue. In 2007, Clark County staff participated with the City of Las Vegas and RTC staff to help complete the Sahara Avenue Corridor Rapid Transit Study Alternative Analysis Report. The bus rapid transit service will help support the future residential commercial and mixed use projects planned along the Sahara Avenue Corridor. This project is the next logical step toward enhancing transit services in the Las Vegas Valley.

Sincerely,
