

Sahara Express Bus Rapid Transit Improvement Project

SPECIAL CONSTRUCTION PROJECT UPDATE

The Sahara Express BRT project is continuing to progress as traffic signals are upgraded, shelters are installed, utilities are set in place, landscaping is added, and reconstruction of sidewalks and driveways are completed. The following work is scheduled through the end of 2011:

When: Sunday, December 18, 2011 - Friday, December 30, 2011
Daytime hours: 8 a.m. - 7 p.m. / Night hours: 9 p.m. - 5 a.m.

Where: *Sahara Avenue from Boulder Highway to Hualapai Way*

What: *Permanent shelter & bench installations* will take place on Sahara Avenue at Las Vegas Boulevard and between Decatur Boulevard and Durango Drive and are anticipated to be complete by the end of December. All shelter installations are planned during daytime hours.

Utility work and landscape improvements will continue along the entire corridor and are anticipated to be complete by the end of December. All utility work in the project area will be done overnight.

Final sign installation will take place during daytime hours between Decatur Boulevard and Durango Drive.

Traffic signal upgrades will take place during overnight hours. Traffic lights will be off from 9 p.m. to 5 a.m. and traffic will be directed by the Las Vegas Metropolitan Police Department. A separate email will follow with specific dates and locations.

Reconstruction of sidewalks and driveways to comply with the Americans with Disabilities Act (ADA) will continue in areas along the entire corridor. Work will take place during daytime hours and is expected to be complete by the end of December.

**Due to the holiday schedule, construction activities will not take place from Friday, December 23 through Monday, December 26, 2011, and from Friday, December 30, 2011 through Monday, January 2, 2012.*
