

Regional Transportation Commission of Southern Nevada (RTC) List of Proposed Projects for Receipt of Grant Funds from New Freedom (5317) Funding

Organization Names	Organization Types	Project Description	Approvals	Federal Grant Share
Aid for Aids of Nevada (AFAN)	Non Profit Organization	BUDDY Transportation Program – Continue the program to provide transportation to medical and social support programs for non-ADA eligible medically fragile clients who are associated with AFAN.	Approved	\$37,602
ITNLasVegas	Non Profit Organization	ITNLasVegasValley – Continue the program to develop the transportation network based on the national model of ITN that provides a shared ride volunteer service for transportation of elderly and visually impaired adults and provide transportation services under the model plan.	Approved	\$101,000
Helping Hands of Vegas Valley	Non Profit Organization	Medical/Shopping Transportation – Continue the program to provide transportation for seniors in wheelchairs using a lift equipped vehicle, and coordinate shopping trips for seniors.	Approved	\$41,022
Helping Hands of Vegas Valley	Non Profit Organization	Disabled Transportation Bus Service Expansion – Procure a lift equipped vehicle to support the activities of the Medical/ Shopping Transportation Program operated by Helping Hands of Vegas Valley, and provide operating expenses to expand the program into four additional zip codes within the Las Vegas Valley.	Approved	\$80,052
Jewish Federation of Las Vegas	Non Profit Organization	Expand Rural/Urban Transit for Seniors and Disabled – Procure a lift equipped vehicle that will be used to coordinate transportation with Southern Nevada Transit Coalition so that rural passenger trips for medical purposes will co-mingle with passengers from the Henderson area who were previously unable to reach the Las Vegas Senior Lifeline program offered by the Jewish Federation of Las Vegas. Operating funds will be used to expand the days of service for the target population of elderly persons with disabilities.	Approved	\$73,737
Lenda A Hand	Non Profit Organization	Lend A Hand – Volunteer Escorted Transportation – Purchase technology and support expansion operating expenses to increase the scheduling capability for the delivery of volunteer transportation for medical trips from the rural community of Boulder City into the metropolitan Las Vegas Valley area. Lend A Hand serves the disabled, frail and the elderly who reside in Boulder City.	Approved	\$30,076
Saint Rose Dominican Health Foundation	Non Profit Organization	Artie J. Cannon Helping Hands of Henderson – Continue the program to provide seniors with disabilities transportation within the city of Henderson and develop the network of program volunteers.	Approved	\$51,458
Saint Rose Dominican Health Foundation	Non Profit Organization	Artie J. Cannon Helping Hands of Henderson Van Purchase – Procure a wheelchair van to support the activities of the Artie J. Cannon Helping Hands of Henderson program that provides seniors with disabilities transportation within the City of Henderson.	Approved	\$39,916
Southern Nevada Transit Coalition (SNTC)	Non Profit Organization	SNTC Boulder City Transportation Services – Continue the program to expand current operating hours to provide additional rides for medical appointment from Boulder City into the Las Vegas Valley urbanized area.	Approved	\$24,000
RTC	Government Agency	Same Day Service Vehicle Purchase – Purchase new wheelchair accessible vehicles to provide same day reservation opportunities for certified persons with disabilities using the RTC's ADA Paratransit Services transportation service.	Approved	\$52,885
RTC	Government Agency	Same Day Service – Continue to provide same day reservation opportunities for certified persons with disabilities using the RTC's ADA Paratransit Services transportation service. Currently ADA service reservations are made from one to three days in advance of the day of service. With funding from New Freedom, RTC will open its reservation period on the day of service for its clients to book on a space available basis, trips that could not be anticipated for or planned in advance.	Approved	\$11,406
RTC	Government Agency	Silver STAR Vehicle Purchase – Purchase wheelchair accessible vehicles to support the expansion of RTC Silver STAR and FDR programs that provide community route service to senior community locations where RTC also has a high level of ADA certified individuals. The Silver STAR program offers an alternative mode of transportation for these trips.	Approved	\$80,000
