2011-2014 Transportation Improvement Program Amendment (TIP) and Transit Program of Projects (POP)

The Regional Transportation Commission of Southern Nevada (RTC), as the designated Metropolitan Planning Organization (MPO), is seeking the public's comment on the 2011-2014 Transportation Improvement Program's (TIP's) Amendment and RTC Transit Program of Projects (POP) for Federal Fiscal Year (FFY) 2012. The TIP covers FFY 2011, 2012, 2013, 2014, and the approach of FFY 2012 requiring RTC to adjust funding programs and projects in the TIP.

The TIP contains federally funded regionally significant transportation improvement projects for highways, transit, bikeways, and pedestrian safety in Clark County. The POP contains projects funded by the Federal Transit Administration (FTA). Both documents are developed in cooperation with the U.S. Department of Transportation (DOT), Nevada Department of Transportation (NDOT), Clark County, and the cities of Boulder City, Henderson, Las Vegas, Mesquite and North Las Vegas.
